

## **HOAs Still Able to Regulate Breed, Size and Weight of Dogs**

An [amended version of House Bill 18-1126](#) ('HB 1126"), which would have stopped HOAs in Colorado from prohibiting dogs in the communities based solely on breed, weight or size, was killed today in the Colorado House of Representatives on a [34 to 29 vote margin](#). Was this an earth shattering legislative development for HOAs? You can be the judge of that!
