

**Colorado HOA Forum appears as a guest on the Tom Martino Trouble Shooter Radio Show, nationally syndicated.**

Yes, this is a big deal for a consumer advocacy group. Tom invited Stan Hrinkevich, President of the Colorado HOA Forum, to appear on his radio show June 4, 2013. This is type of exposure and help we need for promoting Colorado HOA Legislative Reform. Not much more to be said other than thanks to Tom. If you want to listen to the broadcast go to the link below: this provides the first of three segments in the show all of which allowed HOA issues to be discussed, the additional segments are on the bottom of this web page).
